- (8) Having reviewed all the material, I am satisfied that granting this application for an Online-packaged liquor licence- delivery only will not be detrimental to the local or broader community.

Overall social impact

(1) Positive benefits

The proposed licence will provide the convenience for customers choosing to shop from home the availability to access liquor by ordering online, by phone, fax or mail order. The delivery to customers via courier provides additional convenience. No sales will be made in person at the licensed premises and members of the public will not be permitted to attend the premises to place or collect their orders. Police and Council have no objections to the grant of the liquor licence.

In considering whether a proposed condition has merit, delegates consider: (a) whether the need for the condition has been adequately established (b) whether the benefits of imposing the condition are

TABLE 9: - Reasons for not imposing requested conditions.

A	Do not impose. Already covered by the Liquor Act.
---	---

B	Do not impose. Already covered/already a condition in the DA.
C	Do not impose. Not a relevant condition for this licence type. Condition sought is generally only imposed on high risk licence type or in exceptional circumstances. Exceptional circumstances have not been sufficiently made out by the person putting forward the condition.
D	Do not impose. This condition would be more restrictive than similar venues in Kings Cross which remains subject to the lockout laws in 2020.
E	Do not impose. Small Bars are considered low risk. 2016 Review of Small Bars found Venues with a small bar licence have a lower incidence of alcohol-related violence than venues operating as a small bar under another type of liquor licence. Smaller bars have a lower incidence of alcohol-related violence than other types of licensed venue.
F	Do not impose. Already covered in the Plan of Management. Plan of management condition has been imposed.
G	Do not impose. Not in alignment with the business type, risk associated and would impose disproportionate unnecessary financial and operational burden (small business).
H	Do Not Impose. Being part of a liquor accord is not compulsory / on a voluntary basis only. Exceptional circumstances for imposing condition have been sufficiently made out by the person putting forward to the condition.
I	Do not impose – wording not consistent with ILGA/L&GNSW conditions – ILGA/L&GNSW condition wording has been imposed instead.
